SNIPING AFTER FIERCE RIOT

And Ambulance Men Were
Soon Busy in Bel-
fast

EIGHT VICTIMS
SINCE TUESDAY

Four Were Killed in Dis-
orders Occurring Last
Night

Belfast, April 20 (By the Associated Press).—Sniping was renewed to-day in the Short Strand, the scene of last night's fierce riot and the ambulance men were soon busy.

Mary Keenan, who was shot yesterday, died this morning, bringing the death roll since Tuesday to eight, of whom four were killed in last night's disorders.

There was some shooting this morning at Cullingtree road and Northumberland street.

Police Sergeant Brun, who was wounded last Thursday, died to-day.

DUBLIN SKEPTICAL.

About Outcome of Peace Conference Resumed to-day.

Dublin, April 20. (By the Associated Press).—Little hope for tangible results in the direction of peace was expressed on the resumption to-day of the peace conference between the Free Staters and Republicans although Lord Mayor O'Neill and Archbishop Byrne have exerted themselves to the utmost since the adjournment last week to bring about an understanding. The public is generally skeptical of results.

NOISY NIGHT IN DUBLIN.

Continuous Rifle and Machine Gun Firing Kept Up.

Dublin, April 20. (By the Associated Press).—Last night was the worst Dublin has experienced since Easter so far as noise is concerned. The residents were kept awake by continuous rifle and machine gun fire and the noise of military lorries rushing to the relief of place attacked but thus far only one casualty has been reported.

Several buildings occupied by the provisional Free State government and guarded by official troops, were attacked, according to the last editions of the morning newspapers.

The headquarters of the provisional Free State government in the College of Science were attacked from front and rear, but, despite terrific firing, entry was not effected. The city hall and telephone exchange also were heavily assaulted.

Occasionally the short sharp cracking of revolvers and automatics was almost silenced by the heavier reports of rifles, and later, when armored cars belonging to the regulars appeared, there was the quick discharge of machine guns.

Armored cars patrolled the center of the city, and everybody on the streets was searched. A party of men in an open motor car speeded up when challenged by troops in an armored car, and were pursued and fired upon by the military.

Many of the windows in the telephone exchange were smashed by bullets, and work there was suspended for an hour.

Regular forces patrolling Grafton street were fired on from roofs of houses in Bride's Well Lane.

A statement from official sources says that Brigadier General Slattery and a party of men in uniform in a car were fired upon near O'Connell bridge at about 11:30 o'clock last night. The car was riddled with bullets and one of the passengers wounded, later being conveyed to the hospital.

VALE'S BEQUEST DECLINED.

Morristown, N. J., Unwilling to Raise \$250,000 Required to Meet Terms.

New York, April 20.—The refusal of the people of Morristown, N. J., to accept the terms of a bequest of the late Theodore N. Vail, president of the American Bell Telephone company, is revealed in an announcement of the forthcoming auction sale of Mr. Vail's library and art collection, which had been bequeathed conditionally to Morristown.

Mr. Vail left most of his art collection, part of his library, his white marble home at Morristown and \$250,000 to the municipality, on the condition that its citizens raise a similar sum to add to the endowment of the proposed museum. He stipulated that the museum should be controlled by an organization to be formed for that purpose. Apparently this provision acted as a bar to the acceptance of the bequest, the public authorities taking the view that public money should not be appropriated for an institution that would not be controlled by public officials.

WATERBURY

Miss Maydene Harvey and Leon Griffin United in Marriage.

Sunday evening at 7 o'clock at the home of the bride's parents, Mr. and Mrs. Eugene C. Harvey, on the Waitsfield road, the marriage ceremony of their daughter, Miss Maydene Martha Harvey, to Leon Franklin Griffin, was solemnized by Rev. George H. Lock.

The house was tastefully decorated in evergreen and potted plants. Harold Harvey, Jr., nephew of the bride, was ring bearer, and Miss Maxine Harvey, a niece, was flower girl. The bride was gown in blue satin, with hat to match.

Only a few near relatives and those who had been in the home were present, but later in the evening a truck load of friends from the hospital went to the Harvey home and gave them an old-fashioned send-off.

Both young people are popular in town. They have been through our public schools and graduated from the same class in high school. The groom is the son of Mr. Emma Griffin and the late Frank Griffin.

To-night and to-morrow night is the junior play, which all will want to see.

Mrs. Harry Irish and two children of Moretown are guests of Mr. and Mrs. Walter Irish.

DE MAR'S MARATHON

RUN WAS A RECORD

Clipped 47 3-5 Seconds Off the Best Former Time for the 25-Mile Grind, Ashland to Boston.

Boston, April 20 (By the Associated Press).—The best long distance runner in the country 11 years ago proved himself the best yesterday when Clarence H. De Mar of Melrose raced home a winner for the second time, of the Boston Athletic association's annual American marathon road race.

Not only did he defeat a field of the fastest hikers in the United States and

Canada, including five other winners of this event, but he set a new record for the distance. De Mar's time of two hours, 18 minutes, 10 seconds for the 25 miles of rolling road was 47 3-5 seconds better than the record made by Frank T. Zona of New York (who was eighth yesterday) in winning last year. It was three and one-half minutes faster than the time De Mar made as champion in 1921, which was itself a record.

Second to De Mar was Willie Ritola of New York, a newcomer to the American marathon, but always within the first five to-day. He finished three minutes behind De Mar in two hours, 21 minutes, 44 4-5 seconds. The next three men were: Albert Smoke of Peterborough, Ontario; the Indian who is

champion of Canada at long distances, time, two hours, 21 minutes, 40 4-5 seconds; Victor Macauley of Windsor, N. S., maritime provincial star, who finished in two hours, 24 minutes, 2 3-5 seconds; and Willie Kyronen of New York, who moved up from seventh last year to fifth to-day in two hours, 24 minutes, 4 4-5 seconds.

He was the second American flyer to be killed in action in the World war.

Fish Story.
It was fish day and little Henrietta, aged five, was grumbling about a couple of bones that, despite her mother's caution, remained in her portion. Edith, aged six, listened to her sister for several moments in silence, then she blurted out, "For goodness sake, Henrietta, don't fuss so. God put 'em there!"—Boston Transcript.
